

We Love the C

ProC Offshore Services

Value Beyond Supply. Solutions Beyond the Horizon.

Integrated procurement, logistics and technical solutions for the offshore and marine industry, powered by in-house expertise and strategic partners.

COMPANY PROFILE 2026 • WWW.PROC-OFFSHORE.COM

Who We Are

ProC Offshore Services provides integrated procurement, logistics and technical solutions for the offshore and marine industry.

From procurement and supply to vessel mob/demob and offshore construction, we deliver what vessels, rigs and offshore projects need, powered by in-house expertise and strategic partners across the globe.

Headquartered in Singapore, we have branch offices in China and Thailand and local partners across Asia Pacific.

Our Vision

To be the partner of choice for integrated procurement, logistics and technical solutions in the offshore and marine industry.

Our Mission

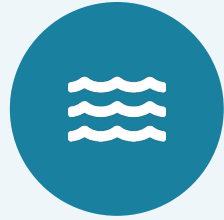

To provide high-quality services and cost-effective solutions to our clients.

Why ProC

Our Roots

We started with **procurement** and have grown into an integrated solution provider.

We Love the Sea

The offshore and marine industry is our home, and we serve it with passion.

We Love the C

Our five C values guide how we work with clients, partners and each other.

ProC Logo

Our logo reminds us to protect the planet we live on as we work across the globe.

We Love the C

Our five C values guide how we work with clients, partners and each other.

We

Can

We can deliver the best solutions to our clients with the knowledge, experience and resources we have.

We

Care

We care about our employees, clients and partners, and treat them with respect to earn their trust.

We

Concentrate

We concentrate on what we are good at and keep improving it to deliver quality work every time.

We

Communicate

We communicate openly with our team and clients to understand their needs and achieve the best results.

We

Collaborate

We collaborate with clients, partners and other stakeholders to share knowledge, skills and best practice.

Our Services

01

Procurement & Supply

One-stop sourcing of equipment, materials, consumables, safety gear and spare parts.

02

Equipment & Tool Rental

Equipment and tools on hire for short jobs, mobilizations and offshore campaigns.

03

Logistics & Ship Agency

Cargo, customs and port services for drilling rigs and offshore vessels.

04

Steelwork & Afloat Repair

Grillage, seafastening, deck preparation and repairs carried out afloat.

05

Inspections & Testing

Inspection, testing and commissioning of equipment and deck machinery.

06

Manpower Supply

Qualified welders, fitters, supervisors and engineers for offshore jobs.

Procurement & Supply

We source what vessels, rigs and offshore projects need and deliver it where the work is, from a single shackle to a complete offshore equipment package.

1

**Rotating & Process
Equipment**

2

**Electrical & Instrumentation
Equipment**

3

**Mechanical & Piping
Equipment**

4

**Marine, Drilling & Subsea
Equipment**

5

**Deck Machinery & Outfitting
Equipment**

6

**Lifting, Towing & Mooring
Equipment**

7

**Spare Parts, Cabin Stores,
Engine Room Stores &
Appliances**

8

**Safety Gear, Consumables,
Provisions & Bonded Stores**

Equipment & Tool Rental

We rent out the equipment and tools a job needs for as long as it runs, delivered to the yard, quayside or vessel.

1

Lifting & Hoisting Equipment

2

Rigging & Load Handling Equipment

3

Bolting & Flange Management Tools

4

Inspection & Integrity Equipment

5

Power Generation & Electrical Equipment

6

Process & Pressure Testing Equipment

7

Safety & Environmental Equipment

8

Temporary Offshore Accommodation & Support Equipment

Logistics & Ship Agency

We move cargo to where it is needed and look after rigs and vessels calling at port or anchorage.

1 Cargo Loading & Discharging

2 Delivery to Quayside, Yard or Anchorage

3 Customs & Immigration Clearance

4 Crew Changes, Hotels & Land Transport

5 Harbour Tugs, Wet Tows, Spacer Barges & Quayside Mooring

6 Bunkering, Provisions & Bonded Stores

7 Vessel Mob/Demob Management

8 Third-Party Services at Port or Anchorage

Steelwork & Afloat Repair

Our welders and fitters carry out steelwork on board, alongside or at anchorage, to qualified welding procedures backed by NDT.

1

Safety Assessment & Hot Work Permits

2

Installation Aids & Grillage Fabrication

3

Seafastening Installation & Removal

4

Deck Preparation, Gauging & Grinding

5

Cutting & Removal of Stool Supports

6

Hull Structural Repair & Modifications

7

Vessel Reinstatement & Repair

8

Equipment Assembly, Installation & Testing

Inspections & Testing

We check that equipment, vessels and structures are ready for work before they leave the yard or port.

- | | | | |
|---|--|---|---|
| 1 | Structural & Welding Inspection (NDT) | 2 | Piping Pressure Testing |
| 3 | Mechanical Completion Checks | 4 | Electrical Testing |
| 5 | Instrumentation & Control Loop Testing | 6 | Lifting Equipment & Load Testing |
| 7 | Safety System & Fire Protection Testing | 8 | Leak, Tightness & Coating Inspection |

Manpower Supply

We provide the people a job needs, drawn from our large talent pool of pre-screened, certified candidates.

1

Welders & Fabricators

2

Riggers, Signalmen & Crane Operators

3

Mechanical & Piping Technicians

4

Electrical & Instrument Technicians

5

QA/QC & HSE Personnel

6

Construction Crew & Deck Personnel

7

Engineers & Supervisors

8

Offshore Project Management Personnel

Integrated Solutions

From onshore fabrication and delivery to offshore hook-up and commissioning, we combine our services into one solution for each stage of your project.

Asset life cycle

From the Yard to Delivery

1 Fabrication Support

Materials, equipment, inspection, logistics and people for newbuild and conversion projects at the yard.

- Supply of Steel, Piping, Outfitting & Bulk Materials
- Sourcing & Procurement of Equipment
- Expediting & Delivery of Owner-Furnished Equipment
- Rental of Lifting Gear & Fabrication Equipment
- Welders, Fitters & Supervisors for Yard Work
- Equipment Installation & Outfitting Support
- Dimensional Control & QA/QC Inspection
- Owner's Site Representation & Progress Monitoring

2 Yard Pre-commissioning

Getting all equipment and systems on the vessels, rigs, FPSOs, LNG modules and fixed platforms tested and ready at the yard before delivery.

- Pre-commissioning Spares, Tools & Consumables
- Commissioning Technicians & Supervisors
- Mechanical Completion & Punch List Support
- Calibration of Instruments & Testing Equipment
- Piping Flushing, Hydrotesting & Leak Testing
- Electrical & Instrument Checks & Loop Testing
- Function Tests of Rotating Equipment & Deck Machinery
- Load Testing of Cranes & Lifting Equipment

3 Delivery & Handover

Supporting the sailaway, delivery and handover of vessels, rigs, FPSOs, LNG modules and fixed platforms.

- Towing Gear, Navigation Lights & Shapes Supply
- Provisions, Bunkers & Spares for the Delivery Voyage
- Tow Inspection & Marine Warranty Survey Support
- Port Clearance & Agency on Departure & Arrival
- Logistics & Supply During Delivery
- Final Cleaning & Reinstatement for Handover
- Spare Parts Inventory & Handover
- Handover Documentation & Punch List Close-out

From Mob/Demob to Hook-up

4 Vessel Mob/Demob

We prepare vessels and rigs for their next job, and return them to service when it ends.

- Mob/Demob Planning & Management
- Ship Agency, Port Clearance & Customs
- Berth, Quayside & Harbour Tug Arrangements
- Lifting Analysis, Rigging & Seafastening Design
- Grillage Fabrication & Seafastening Installation or Removal
- Equipment Delivery, Loading, Installation & Testing
- Bunkers, Provisions, Bonded Stores & Spare Parts
- Vessel Reinstatement & Repair

5 Offshore Construction

Supply, logistics and people for offshore installation and decommissioning campaigns.

- Offshore Vessel Sourcing & Chartering Services
- Supply of Materials, Equipment & Consumables
- Equipment & Tool Rental for Installation Spreads
- Inspection & Calibration of Testing Equipment
- Ship Agency & Port Support for Vessels
- Logistics to Vessels, Supply Bases & Yards
- Provisions, Bonded Stores & Spares for Vessels
- Supply of Offshore Project Management Personnel

6 Hook-up & Commissioning

Support for hook-up and commissioning teams once units are offshore.

- Commissioning Spares, Tools & Consumables
- Hook-up & Commissioning Technicians & Supervisors
- Calibration of Instruments & Testing Equipment
- Pressure & Leak Testing of Hook-up Piping
- Electrical & Instrument Loop Testing & Energization
- Load Testing of Cranes & Lifting Equipment
- Final Function & Performance Tests of Systems
- Hook-up Completion & Punch List Close-out

Selected Projects

Year	Project	Solution
2025 – Present	Offshore T&I Construction Support in Thailand & Myanmar	Offshore Construction
2025 – Present	Vessel Mob/Demob Support for GZS's Offshore Projects in SE Asia	Vessel Mob/Demob
2023 – 2024	Exclusive Ship Agent of COSL Pan-Pacific	Vessel Mob/Demob
2023	Barge Handover and Tow Preparations in Singapore	Delivery & Handover
2023	Seafastening of Barges on Semisub HLV “Hua Rui Long”	Vessel Mob/Demob
2020	Semisub HLV “Innovation Way” Seafastening	Vessel Mob/Demob
2020	Supply of Barge Towing Gear to Batam, Indonesia	Delivery & Handover
2020	Semisub HLV “Hua Sheng Long” Deck Cleaning	Vessel Mob/Demob
2019	FPSO “Tantawan” Decommissioning	Offshore Construction
2019	Jack-up “AE1” Mobilization in Singapore	Vessel Mob/Demob
2018	Semisub HLV “Red Zed I” Seafastening	Vessel Mob/Demob
2018	Semisub HLV “Hua Yang Long” Seafastening	Vessel Mob/Demob
2018	DLB “Hilong 106” Mobilization	Vessel Mob/Demob

A selection of our projects since 2018. More references are available on request.

Featured Projects

Offshore Construction • 2025 – Present

Offshore T&I Construction Support in Thailand & Myanmar

Scope of Work

- Vessel Sourcing & Chartering Support
- Vessel Mob/Demob Management
- Supply of Materials, Equipment & Consumables
